1614-250 Webb Dr.
Mississauga, ON, L5B 3Z4
(647) 456 - 7958

OBJECTIVE:

Seeking an entry-level position as a software developer where I can apply my technical training, problem-solving abilities, and strong work ethic. Eager to contribute to a development team, continuously grow my programming skills, and help build meaningful, user-friendly applications.

SKILLS and QUALIFICATION:

- ◆ Quick learner with a creative and analytical mindset
- ◆ Highly organized and dependable with proven ability to work independently and collaboratively
- ◆ Adaptable and focused under pressure with excellent time management skills
- ◆ Passionate about continuous learning and career growth in the tech industry

EXPERIENCE:

Tut's Egyptian Street Food, *Prep Cook*, 2023 - Present

- Prepared menu items by making sauces, chopping vegetables, and butchering/slicing/marinating meats

Goodfellas Wood Oven Pizza, *Prep/Line Cook*, 2022

- Prepared ingredients and cooked menu items (frying, boiling, sautéing, steaming, broiling, and grilling)

Kelsey's Original Roadhouse, *Prep Cook*, 2019 - 2022

- Prepared ingredients by making sauces, chopping vegetables, cutting/pounding/marinating meats and portioning

Sheraton Hotel, *Line Cook*, 2018

- Cooked menu items (Garde manger, sautéing, and pizza stations)

Chop Steakhouse & Bar, *Prep Cook*, 2017

- Prepared ingredients by making sauces, chopping vegetables, smoking steaks, making/baking cakes, marinating/slicing tuna, and making carpaccio

Paramount Fine Foods, *Baker*, 2016

- Prepared menu items (dough for manakeesh, ingredients for toppings and baking manakeesh in the wood burning oven)

EDUCATION:

Chef de Cuisine Diploma, Liaison College, 2012 - 2013
Physical Sciences Program, McMaster University, 2010 - 2012
Glenforest Secondary School, Mississauga, ON, 2007 - 2010
Kelvin High School, Winnipeg, MB, 2006 - 2007
